LONG TERM COMMITMENT TO EXCELLENCE

2012 marked the 40th anniversary of the Saskatchewan Society of Nutrition Management. The Spring Education Day took members back to SIAST where many of us obtained our diplomas to commemorate the occasion. Members in attendance enjoyed touring the kitchen at SIAST to see what has changed and what looks the same as it did years ago!

The focus of the Education Day was Long Term Care which fit well with the theme of celebrating SSNM's Long Term Commitment to Excellence. Speakers included Suzanne Quiring from Suzy Q Menu Concepts as well as Cheryl George from Sherbrooke Community Center sharing the Eden Alternative. Members in attendance obtained two CE points for their participation.

Special thank you to our sponsors: C.S.N.M., Complete Purchasing, Computrition, Gordon Food Service, Sysco Canada and WT Lynch for their contributions, as well as Russell Foods for covering Suzanne's travel expenses.

A motion was put forward and passed at the Annual General Meeting to have honorary and lifetime members pay a registration fee in order to attend future conferences; this motion was put forward to address the demographics of our association and in order to sustain financially.

40TH ANNIVERSARY CELEBRATION

The 40th Anniversary Celebration held at TusQ Restaurant on May 7, 2012 was a huge success! The wine and cheese event allowed members to sit back, relax and share memories of years gone by and to network with one another in an inviting atmosphere.

Special items, such as old newsletters and awards from years gone past were on display and members in attendance took a trip down memory lane when Past Presidents, France Gates and Lynne Fitzsimmons toasted to the Past and the Present of the S.S.N.M. Jean Van Nus, C.S.N.M. President-Elect appropriately toasted to our Future.

Photos from this event can be viewed on our Facebook page and ordered from Relish Photography. www.relishphotos.com

Hello all! It's great to be back on the SSNM Board of Directors. Having been Newsletter Chair and Conference Co-chair in the past, I look forward to being the Secretary/Membership Chair. I have a lot to learn about this portfolio and am excited about the challenge.

After living 2 1/2 years in Quebec, my family has now settled in Moose Jaw. I am currently working at Safeway and in dietary at the Union Hospital. Summer is indeed flying by! I am enrolled in the SIAST Occupational Health and Safety Practitioner Certificate Program starting in September.

I look forward to hearing from you all and seeing you at the next Education Day.
